## ANNIVERSARY SALE

**A Fitting  
Celebration for the  
Largest Paper House  
in the South.**

From the inception of this business in 1893 it has grown from a small store to this magnificent warehouse, which stands as a monument to the enterprise and the honorable business methods which have been maintained from its very infancy. We are sincerely grateful for the liberal and generous patronage of our loyal Washington people who have made this wonderful success possible. We propose to merit your continued confidence and good will by the ever-increasing efficiency of our service.

**Anniversary  
Souvenir Prices on  
Everything in This  
Large Establishment.**

As this celebration occurs just prior to our annual stock-taking we propose to make the event doubly attractive by offering tremendous reductions throughout the store—giving you the lowest prices ever quoted in the south for High-grade Stationery and office supplies, of which we have space to mention only a few.
